IUBMB-Education Symposium at 25th FAOBMB Conference held in Manila in December 2016

One of the highlights of the 25th FAOBMB Conference held in Manila in during 5-7 December 2016 was the IUBMB-supported Education Symposium. The session was introduced by the outstanding lecture given by FAOBMB Education Awardee for 2016, Professor Rongwu Yang (China). There were other excellent talks in the Education Symposium., including those given by Associate Professor Susan Rowland (Australia) and Professor Hoon Eng Khoo (Singapore).

These educators in biochemistry and molecular biology have kindly consented to their talks being made available at the links below.
